# One Call Delivers It All

Doors • Frames • Hardware

January - February 2021

## PRODUCT OF THE MONTH

 Now In Stock

### CavitySliders

Quality Sliding Door Hardware

The **CL200®** is a durable range of sliding door hardware suitable for residential, commercial, and hospitality applications. Privacy handles incorporate a patented magnetic latching system\*, ensuring a smooth locking action. This handle is not handed. Two face plate widths are available. Handles can be adjusted to suit doors from 1-3/8" to 1-1/2" or 1-5/8" to 1-3/4" thick. Available in these finishes: Chrome, 26D, 10B, US15, Matte Black  
\*Patent pending

## 5% OFF Quality Sliding Door Hardware

The award winning **CL400®** Magnetic pocket door handle features a patented magnetic catch and plunger system. This innovation provides a positive 'hold close' for passage handles and a beautifully smooth action on locking hardware. Five standard finish options are available. Custom finishes are also available by special order. For barn door applications where a barn door lock is required, combine with the CaviLock Barn Door Strike. Available in these finishes: US15, 10B, Matte Black, 26D

*You must mention the Product of the Month (POM) offer on your PO or reference the POM in the notes section if ordering on [ABSHARDWARE.com](http://ABSHARDWARE.com) or [talon.wtsparadigm.com](http://talon.wtsparadigm.com) to receive discount. Quoted projects are excluded from POM discounts.*
