

NOVEMBER-DECEMBER 2022

PRODUCT OF THE MONTH

CL200®

The CL200® is a durable range of sliding door hardware suitable for residential, commercial, and hospitality applications.

Privacy handles incorporate a patented magnetic latching system*, ensuring a smooth locking action. This handle is not handed.

Two face plate widths are available. Handles can be adjusted to suit doors from 1-3/8" to 1-1/2" or 1-5/8" to 1-3/4" thick.

Available in these finishes: Chrome, 26D, 10B, US15, Matte Black

*Patent pending

CL400®

The award winning CL400® Magnetic pocket door handle features a patented magnetic catch and plunger system. This innovation provides a positive 'hold close' for passage handles and a beautifully smooth action on locking hardware. Five standard finish options are available. Custom finishes are also available by special order.

For barn door applications where a barn door lock is required, combine with the CaviLock Barn Door Strike.

Available in these finishes: US15, 10B, Matte Black, 26D
