Interior Wood Stile and Rail Doors

ABS - AMERICAN BUILDING SUPPLY, INC.

Shaker Series

Shaker Series interior wood doors are constructed of a laminated natural wood core and an MDF outer layer for a smooth even surface. These wood components are bonded together with hard wood dowels forming an attractive and rugged interior paint grade door. Shaker Series Doors come factory primed and ready to begin the finishing process. Available in one panel, two panel, three panel and five panel configurations with flat panels and square sticking profiles that compliment any architectural design.

Limited Warranty

This warranty applies only to the Shaker Series described doors by Doormerica - American Building Supply, Inc. Should any doors manufactured by Doormerica Shaker Series fail to conform to this written warranty, Doormerica - American Building Supply, Inc. will, at our option, either:

1. Replace the doors to the distributor or the person making the warranty claim. The doors will only be replaced in the exact same manner in which the doors were originally sold.
2. Repair the doors.
3. Refund the original purchase price paid to Doormerica - American Building Supply, Inc. for the doors. In no claim situation will Doormerica - American Building Supply, Inc. pay for ANY labor for the finishing or installation of the replacement doors, or any other costs associated to the replacement of the doors. Contact our sales office for claims procedure form and exact details on any claim situation.

Warranty Periods:

Construction Type	Interior	Exterior
Residential 1-3/8	1 Year	N/A

This warranty is subject to the following tolerances:

1. Size Tolerance:
 - a. Thickness + or - 1/16"
 - b. Width + or - 1/16"
 - c. Height + or - 1/16"
2. Squareness Tolerance:
 - a. Diagonal measurement will not exceed 1/4"
3. Warp Tolerance:

Warp will be measured with a straight edge along the concaved face of the door, if the measurement is 1/4" or less the door will not be considered as defective.

This warranty is subject to the following storage & handling instructions:

1. Store doors flat on a level surface in a dry, well ventilated building. Doors should be kept at least 3-1/2" off the floor and should have protective coverings under the bottom door and over the top. Covering should protect doors from dirt, water and abuse but allow air circulation under and around the stack. Avoid exposure to any sunlight or artificial light.

This warranty is subject to the following finishing instructions:

1. Interior primed doors should be finished in accordance with the paint manufacturer's recommendation.

Warranty limitations and exclusions:

1. The natural variations or unsatisfactory results in color, texture, gloss level, or appearance resulting from the field application of paint or any other finishing material.
2. Warp not exceeding 1/4" in the plane of the door itself. Warp shall include bow, cup and twist.
3. Doors left unfinished at the job site and exposed to the sun or excessive cold, heat, or moisture.
4. Doors used in exterior applications.
5. Cutting doors more than 2" in height from bottom rail and/or more than a total of 1/4" in width per side.
6. Poor Installation. Including, but not limited to, improper on-site storage per Care & Finishing.
7. Doors not painted on all six sides.

There are no warranties that extend beyond the foregoing, and the manufacturer's responsibility under this warranty is as stated herein. No dealer, distributor or person other than the manufacturer has the right to alter this warrant verbally or in writing. The manufacturer shall not be liable for consequential, indirect or incidental damage, or for any amount in excess of the manufacturer's price for the doors involved, whether the claim is for breach of warranty or negligence.

In order to provide our customers with the finest products, manufactured in the most up-to-date manner, Doormerica - American Building Supply, Inc. reserves the right to make design or specific construction changes without notice.
